## Work Experience

### GameStop

Tega Cay, SC

Retail Keyholder

December 2024 – August 2025

- Delivered personalized customer service by providing game and hobby recommendations.
- Maintained store operations independently as Keyholder, including opening/closing duties, cash management, and release of street dated products.
- Brought up store sales over 110% in an overall position and over 200% in more specific categories (warranties)
- Maintained a sales position of top 25% of employees.

### Toppers Pizza

Fort Mill, SC

Shift Lead

July 2021 – February 2022

- Supervised team members of 4-10 employees and ensured compliance with closing procedures, inventory tracking, and cash handling.
- Balanced labor across food prep and customer service to maintain efficiency in a high-volume, fast-paced environment.
- Managed store inventory of 20+ products of a diverse selection while accounting for high-demand days and on-going deals.

## Leadership & Activities

### Dreamscape TTRPG

Remote

Lead Game Designer & Developer

June 2021 – Present

- Designed and balanced mechanics for an original Tabletop Roleplaying Game.
- Wrote, tested, and refined systems through iterative playtesting and community feedback
- Organized a remote gaming community, planned development roadmaps, and led discussions with a growing team of 6+ people in differing positions (designers, editors, testers, consultants) across multiple timezones

## Extracurricular Activities

### Phi Theta Kappa - Honor's Society Member

?? 2024 – Present

### National Society of Leadership and Success - Honor's Society Member

?? 2024 – Present
